“Hilda’s expert skill, her supportive mentorship, and her organic, practice-based approach resulted in a remarkably enriching learning journey that I would highly recommend.”

Moira Knott,

M.A. Counseling Psychology
Pacifica Graduate Institute
(2016)

“She has a deep understanding of how mental health consumers are systematically disenfranchised and uses that knowledge to lead and drive change processes, authentically, engaging others every step of the way.”

Lynn Jones,

Coordinator, VRHB (2002)

“Hilda has opened my eyes to an entirely new world as a learner, when I was finding myself immersed in a world of self-doubt and questioning myself as an ‘effective’ new therapist.”

Alisha Gori,

M.A. Counselling Psychology
Adler University
(2017)

Clients

“The most honest, congruent and ethical person I know”

“A gifted therapist”

“A genuine respect and commitment to my well-being”

“A true generosity and compassion”
